PENSACOLA, FLORIDA, THURSDAY MORNING, MARCH 28, 1911.

#### Recognizing the Growth of the South.

Southern development along indus- and failed to come up to the requiretrial and agricultural lines has caused ments of the state and national pure thousands to come to the south in re- food and drug laws. cent years and the movement is barely begun a larger number having arrived drug laws became effective in the this past year than in any one year in United States and in Florida one year the history of the south. That this later, and there is no possible excuss fact is being realized is aptly shown for 75 per cent of a certain kind of by an editorial in the Cincinnati En- drugs failing to come up to the standculrer, which says, in part:

more in population in the thirty years they are unfit for citizens as well as last passed than Canada has people in druggists. her entire dominion, and marvelous as has been the development of the nation to the north, that of our own south got to stop and intimates that at no has far exceeded it.

upon has, during the last forty years. In other ways. That the people of the made the progress in agriculture, in in other ways. That the people of the manufactures, in the opening up of state will be heartfly in favor of the her mines, forests and mills and gen- prosecutions, to take place immediateeral trade as has this region lying at ly, goes without saying. The practice our very door, which we know as the of diluting medicine is dangerous and

The increase in her population during that time has been exceedingly dollar than for human lives. great, and yet she has had the opening up, the giving away to homestead ers, of millions of acres of land in the west to contend with in that same

suses fixed upon the mind of the nation the steady growth of the south, proved to the world its attractiveness to those in pursuit of fortune, or of independ- failing to comply with the laws. ence, accompanied with health, and the year since the last census was years are enough for them to learn taken has strongly accentuated the current of population that steadily flows from our northern states to be- people should be protected from uncome permanently fixed as settlers in scrupulous pharmacists, and the soon-

The alluring stories of the gold fields of the west and the great government osteod grants started the trend of situation is different. Not only are are also arriving. In fact, the west nished by the railroads. and northwest are furnishing the mafority of the homeseekers.

When the many advantages the south offers are considered it is easily part of these people. The climate of the south is unsurpassed anywhere in the world. The diversified farming of- will. fers a rich field in which to labor.

Farmers and laboring people find it pleasant to live in the southland. They and so far the worst thing brought find it healthful and profitable and the against him is that he's good looking report goes back to the sections which and knows it. are less favored and others are coming daily to make this their home.

The entire south is reaping the bene fit, but Florida is leading them all. Florida is the greatest state of the south and, while it offers more advantages at this time, homes may be secured for less than in any other state. West Florida above all offers to the rich man a profitable field for investsuccess and happiness.

#### Violating the Drug Laws.

It is hard to realize that druggistsleading ones of the state-would willingly and continually violate the laws of the state and endanger the lives of people by diluting medicines, but such the first shots at the old battleship

His time has been spent in preparing stools. himself for the chairmanship which every one felt sure was ultimately you mustn't eat them.' to be his. When the new congress was known to be Democratic it was conceded that he would, as the rank- They're fer sale." ing Democrat, be appointed without opposition to this most important commission. Other ranking Democrats on other committees are to be given their rights without question and vousness and all kidney and bladder there should be no politics played in this case. The two men who are spoken of as possible chairmen are on the organs. committee, but their experience has not been of a nature to qualify them apothecary, 121 S. Palafox St. as has Mr. Sparkman's. He has work. the men, women and children should ed in this country and in foreign counthe union and in every instance where beg? possibly superior to any other member of the house.

The Journal also calls attention to of thought in this connection. Mr. Fliegende Blaetter. Sparkman has, at every senatorial election held in this state in recent candidate and, indeed, in a majority of them, it was beyond question that of Ann and the earth matter very little he could have won a place in the senate. This promotion was naturally one regarded by Mr. Sparkman as a Florida housewives can fight the great honor and one which, personally,

But, on each occasion when there was an oportunity for Mr. Sparkman to enter a senatorial race and with every assurance of success. he was besieged by his friends and by the most representative business people of Florida to turn a deaf ear to in the house, because a Democratic house would mean for him the chairmanship of this committee, which would place him in a position where

Mr. Sparkman has heeded all these made his personal ambition and his natural desire to go to the senate secondary to the interests of his people. He is entitled to the highest consideration for this patriotic attitude. And it would be an unfortunate dispensation of politics which left in charge of Pullman Conductor, Finder please return to Pensacola Chief of Police or Miss Harriet Adams, Milton, Would deprive him and his constituwould deprive him and his constituents of this influential position after he has repeatedly ignored the promptings of ambition in order that he might realize this desire of his state. pose the committee-appointing body, ignore, the claims of Mr. Sparkman in this respect they will be doing a great injustice and one that cannot be defended from any standpoint either of party usage or common fairness. The Tribune understands that the most powerful representations are being made to these gentlemen, not only by Floridians but by persons throughout the country who are interested in Florida, and that they will not be able to sidetrack our representative at this juncture without stubbornly shutting their eyes to the demands of the party and the people.

Why It Made a Difference. A Philadelphian who had business in Washington the other day called to see Dr. Wiley, the government's food expert, says the Philadelphia Times. In the course of their talk they discussed the persistence of some food manufacturers to violate the pure food laws. "One trouble is that so many persons lack a sense of moral obligation,"

said Dr. Wiley. "They seem to think that if they are not found out they cannot have done anything wrong, They remind me of a little boy I once encountered gathering mushrooms in a meadow. "I looked into his bag and, to my

amazement, I saw he had mostly toad-"'See, here,' said I, 'those are poison; "'Oh, that's all right,' replied the
